

# Fullmarks™

## Natural BrainFood Mix for kids

### Why Fullmarks - BrainFood™?

Poor concentration, poor learning and antisocial behavior are increasing amongst young people. Traditional oriental lifestyle and medicines such as TCM, Aryurveda & Tibb, knew the importance of brainfood and its relationship to leaning and good behavior.

**Fullmarks - BrainFood™** is based on a traditional herbal & nutritional formulation, combining brainfoods and herbs. The ingredients in fullmarks have been used safely and effectively for hundreds of years to help improve learning, concentration & good behavior.

**Fullmarks - BrainFood™** is particularly useful for children between the ages of 2 – 14. Safe to use on a daily basis.

### Using Fullmarks - BrainFood™

Made from 100% natural ingredients. Hand made, under the guidance of qualified herbalists. This ensures the right energy, and expertise goes into this unique and wonderful product.

- Take between (5g – 15g) directly, chew and enjoy!
